## CNC PRECISION MACHINIST JOB POSTING

January 6, 2020

---

**Company Name:** Lofthouse Manufacturing

**Business Location:** 500 Ontario Street, Burk's Falls, Ontario P0A 1C0

**Terms of Employment:** Full Time, Permanent

**Language of Work:** English

### WHO IS LOFTHOUSE MANUFACTURING

We have built an international reputation in our industry by delivering innovative, high volume, low cost forged and machined brass and aluminum parts. It's a reputation we're enhancing to deliver the best of two worlds: forging that exceeds competitive standards and industry-leading machining technology that delivers unmatched precision and overall value.

### JOB DUTIES

We're looking to hire a full-time, experienced CNC Precision Machinist for our advanced Tool Room who has experience with CNC mills and lathes and who can complete the following duties:

- Program, set up, and operate tool room machinery including state of the art 5 axis mills, EDM Machines, and multi-axis lathes.
- Design and fabricate dies and tools, working from blueprints, sketches, and samples.
- Effectively communicate with manufacturing personnel and support staff (Engineering/Quality)
- Read and interpret engineering drawings, blueprints, charts and tables
- Set up and adjust production machineries/tools
- Fit and assemble components and machine parts to close tolerance
- Maintain, repair and calibrate precision measuring instruments
- Document and report deviations from specifications and tolerances
- Verify dimensions of parts machined using precise measuring instruments (e.g., micrometers, calipers)
- Compute dimensions and tolerances and measure and lay out work pieces

### SKILLS / EXPERIENCE REQUIRED

- General Machinist certification or equivalent experience
- 3+ years' experience CNC machining and programming employing 2D and 3D tool paths.
- 3+ years' experience working with 3,4, and 5 axis CNC machines
- Experience using various CAM software (Hypermill, Master CAM, Solid Works, or Esprit)
- Teamwork, positivity, dependability, and communication skills
- Ability to work 12-hour continental, rotating shifts.
  - Day Shift: 7AM-7PM
  - Night Shift: 7PM-7AM

*Lofthouse Manufacturing welcomes and encourages applications from all people.  
Accommodations are available on request for candidates taking part in all aspects of the selection process.*
